November Legislative Update

Our legislative members will be heading to Washington, D.C., on **November 9–10** to advocate for the **Clean Richard Star Act** and urge legislators to vote **NO on Section 108 of the TCAVA**.

While our members are on the ground in D.C., there are important ways everyone can support these efforts from home!

How You Can Help:

- **Watch for Action Alerts:** Keep an eye out for action alerts through Action Corp and be ready to respond.
- **Sign the Petition:** Please take a moment to sign the petition currently circulating in support of our legislative efforts. QR codes for both Action Corp and the petition will be provided.
- **Submit Legislative Reports:** Remember to submit your Legislative Reports through the department website. Your reports help keep our advocacy efforts informed, organized, and effective.

Remember: We Are the Backbone of Grassroots Advocacy!

Every action matters. Every voice counts. Together, we strengthen our efforts to protect and support the rights and benefits of our veterans.

Thank you for staying informed, staying involved, and continuing to be the voice our veterans deserve!
