

Laura Jo Sweetsir
President
2023-2024

**Department of
South Carolina**

I would like to introduce you to my Veteran. My reason for being a part of this great organization and true influence behind my decision to work towards the opportunity to guide the Department of South Carolina during this upcoming year.

Robert L. Sweetsir, II (Bob) served in the US Navy from 1973 – 1979. At the age of 17, during one of the most troublesome times in our history he chose to serve his country. His training was in aviation ordinance and he was stationed aboard the USS Enterprise, shipping off under the Pacific Command.

He was off the coast of Vietnam and participated in the Evacuation of Saigon. His stories of those happenings and the things he saw and heard were very heart wrenching. He often talked about his many ports of call and times on his ships.

While on shore duty he was a small arms instructor and worked in security on the base. The structure and actual feeling of making a difference while serving had him sign up for an additional 3 years. He was privileged to serve a 2nd tour aboard the USS Enterprise.

Bob joined the VFW in 1978 as a life member and actually took me on a sorta first date to the VFW Post in Fort Lauderdale.

As his disability started taking its natural downward turn I asked him did he want me to step aside to be home more and he was adamant that this was OUR GOAL. He wanted me to carry thru in this commitment. That day will be here soon and I will honor that commitment. I will serve the Department of South Carolina to the best of my ability and look forward to seeing what WE ACCOMPLISH.
