

## MENTORING FOR LEADERSHIP

Everyone has been a mentor or a mentee in their lifetime. Mentoring for Leadership encourages members to participate by:

- Creating a welcoming atmosphere at meetings and activities.
- Showing a genuine interest in members
- Closely listening to what they are saying
- Recognizing their strengths and interests in order to match them with Auxiliary leadership goals.

When a new member joins the auxiliary, they need to be welcomed by phone or in person. Then invite them to an auxiliary activity, make them feel needed and welcomed. Answer any questions they may have.

Remember CARE

C - Catch the member when they first join.

A - Ask them to participate.

R - Remember what it felt like to be new.

E - Engage them in a Program that fits them.

Also remember that good leaders are also good followers.
