

A Happy Easter to all my Americanism Chairpersons.

This is my final bulletin to all my Americanism Chairpersons that have supported my position as your Department Americanism Chairman.

It may have seen that I was nagging you into writing reports but that is not the case. I was trying to use levity and fun simply to remind you that Americanism reports are a necessary evil in our organization. We add up all the reports statewide and add them to the rest of the country to help Our Auxiliary "Stand up to Washington". Remember, your voice is heard. We do not always win but we as an organization cannot stop being a driving force. This philosophy applies to all the reports required by the Department of S.C.

Now for the Pep talk.

April is the final month for submitting reports to be judged. This is a very difficult task as I must choose which Auxiliary is the best for all the districts. YOU ALL WERE GREAT. Even if I was "nagging"

April is a very special month as we Celebrate the Restriction of Jesus Christ. He died for our sins, and you might say for our freedom as people. Kind of sounds like a Veteran! I am in no way comparing. Our Veterans to our Lord. But our Veterans signed a contract unconditionally to give their life if necessary to give us freedom. If I had to be compared to any deity, I can't think of a better example.

So, as the reporting year winds down, please do not stop sending me reports. You will be putting Easter Eggs and chocolate bunnies (solid) not those hollow ones in my Americanism Easter basket.
