

## *Department Chaplain*

*My name is Romona Brandon, I am a life member of VFW Post 4262 Auxiliary, and member of MOCA Pup Tent 15 in Columbia, SC. I joined under the eligibility of my former husband in 1995. I have held many offices within the auxiliary since 2017 and look forward to serving as Department Chaplain for the '25-'26 year.*

*I don't know everything about every religious or cultural group, but I'm willing to learn and listen with all my heart to connect and build trust. I know working alongside the Auxiliary Chaplain's we will get the job done. Being an Auxiliary Chaplain does not automatically mean we have all the answers but with a good and caring heart we are here to serve you.*
