

During the Holidays we have tendency to forget our goals for the VFW Auxiliary. It is easy because we get caught up in shopping, making holiday meals, getting together with friends, going to Christmas parties, and sitting by the fire, unless it is 75 degrees outside. January 1 is just short days away. That also means I have a birthday coming up.

For my birthday this year I want to get at least one scholarship report from each of the auxiliaries. It is not hard, make a monetary donation to our National Presidents special project which is continuing education. Fill out a scholarship report, that's it. In fact send me the information that you have donated, and I will fill out the report myself. That will be my Christmas present to you. How easy is that!

Please keep in mind Santa knows if you have been naughty or nice. I can look and see if you have made your donation or not...

Remember the due dates for the following:

Continuing Educations Applications must be to National no later than February 15, 2026.

Young American Patriotic Art and 3-D Art must be received to your VFW Auxiliary by March 31, 2026 VFW Auxiliary Department by April 15, 2026 and VFW National Headquarters by May 5, 2026/

Merry Christmas and Happy New Year

Jane E. Fox

Scholarship Chairman 2025-2026
