

Veterans and Family Support Final Bulletin

Hello everyone. I hope you are enjoying the nice weather and hope that you have plans to be outside and enjoy it even more.

This is also a great time to get out and help veterans that may need help with yard work, or even taking them to the lake for some fun. Just because our reporting has stopped doesn't mean they still don't need help.

This has been an awesome year and I want to thank all the Auxiliaries for sending in their reports. Just a reminder that if you have any more reports please hold onto them and turn them into the Next chairman in July. In the meantime if you have any questions please reach out.

Also I did have 3 Auxiliaries turn in Forms for me to Submit to state. Just so you know it will be a hard decision. Good luck

Can't wait to see everyone at the State Conference in June. Time for us to Celebrate the excellent work we have all done this year.

Thank you again
