

Hello everyone! The Holidays are behind us and I hope everyone had a wonderful Christmas and New Year. I pray this coming year is a successful one for our VFW families.

There is a lot of information being shared weekly on the Weekly Action Corps emails. If you have not yet signed up, there is still time! The 2026 Priority Goals are available on our website. Please take the time to read over them.

We recently had our Mid Winter Conference in Myrtle Beach. If you did not attend, you missed some good information. Each Program Chairperson worked with a group of other chairs to put on Skits about our Programs. In my portion of the skit, I highlighted promoting the VFW Priority Goals, and how it's important to tell how you promote them. I stressed that every voice counts. I also asked that they track how many members contact legislators with personal visits, emails social media, or letters. I told the members if they are stuck on how to fill a report, to feel free to call or email me. We are all here to help.

Most of our auxiliaries have done an excellent job in reporting, BUT I still have several auxiliaries who have not made any reports to date. Please if you need help reach out to me at [sallyvfwaux@gmail.com](mailto:sallyvfwaux@gmail.com). April will be here before we know it!

Looking forward to your reports and think Spring!
