GNOME VETERAN FORGOTTEN

Brothers & Sisters

This is my favorite time of the year Membership dues - renewal, rejoin or recruit new members.

Tips to use:

- Mail dues letters - they are in MALTA or create your own letter
- Membership Drive – invite members and the public to a Post event
- E mail Facebook
- Phone Call Create a committee- divide the list. And call members. A personal message means more
- Ask family members to join. Make it a Family affair.

A VFW or VFW Auxiliary member who recruits 5 New or Rejoin member will earn a membership pin. Members must be recruited between July 1, 2025, and May 31, 2026. Auxiliaries who are 100% Plus in membership by June 30, 2026, will earn \$50. We can do this. Membership is everyone's responsibility. The Department is 89.40%. We need 700 members to be 100%. Only 5 Auxiliaries are 100%. We need to get busy and contact our members.
