

Buddy Poppy/National Home.

WOW, this year almost over. Have you purchased a brick for National Home yet or sent in your donations of 20 cents per member or whatever your auxiliary can afford? Your donations help veterans and their families who need help getting back on their feet, who live temporarily at the homes. I will give a gift to every auxiliary who purchases a Tribute Brick for National Home. You have to report it to me before January 15 with proof.

Buddy Poppy.

We will not have a Buddy Poppy display contest at Mid-Winter. We will have one for the Department Convention in June. I will let you know more details later. Just remember it doesn't have to be a Memorial display. The holidays are upon us, and this is a great opportunity to use your poppies for decoration and making wreaths that you can sell for your relief fund. We need to educate the public and our members about what the Buddy Poppies are about.

For more information on these two programs visit the National website under resources or use *#AuxiliaryBuddyPoppy*. I look forward to seeing your smiling faces in January.
