

HOSPITAL BULLETIN DEPARTMENT OF SC #4

Greetings Brothers and Sisters of the VFW Auxiliary,

We are getting close to the end of this reporting year and that means getting ready for the judging. Thank you to the auxiliaries that have done some awesome work supporting our hospitalized veterans and their families. Don't stop doing the volunteering, visiting, calling and driving to doctor appointments. We still can do the work!

I have attached the National Program Awards forms in case you do not already have them. These forms are due to me, the Department Hospital Chairman, by March 31, 2026 for judging. I ask that these be sent on time so that I can reach my deadline to send the forms. A big THANK YOU to those who participated in the National Salute to VA Patients Week.

If you have questions or need assistance with the forms, please contact me.

Wishing you love, health and happiness!
