

Please note these dates:

October 31, 2025, is the deadline for all Patriots Pen and Voice of Democracy Applications to be given to your Post home. The applications must be given to the District by November 15, 2025.

We need to focus on the following during this year: All these can be found on the vfwauxiliary.org website.

Continuing Education: we fall short on promoting this valuable scholarship. You can go into Malta under Gifts and donate to continuing education. This is our National Presidents Lois Callahan's Special Project. Please promote the continuing education scholarship with your family members. I am sure someone in your family can use \$1250.00. Get those applications into National no later than February 15, 2026.

Young American Creative Art Contest is due to me by no later than March 15, 2026. I must have them to National by March 31, 2026.

3-Dimensional Patriotic Art Contest is due to me no later than March 15, 2026. I must have them to National by March 21, 2026.

Please do not forget these deadlines.

Thanks

Jane Fox
