Good Afternoon Sisters and Brothers

What do you think the people below are doing?

They are continuing education students. I was an adult when I went back to school to get a degree in accounting and business management. I could only wish back then that I could be awarded a \$1250 dollar scholarship. I was a single parent, and I needed every dime I could get.

I know each and everyone of you knows a family member or yourself that would like to go back to school. Maybe they need just one more credit hour.

I had an email sent out last week asking all auxiliaries to hand out to each attendee a continuing education application. Afterwards send me a report. You never know you might get an application back, filled out and ready to submit.

Eligibility: • VFW Auxiliary member for at least one full year by the application submission deadline of February 15. • The spouse, son and/or daughter of a VFW Auxiliary member that has been a member at least one full year by the application submission deadline of February 15. • Applicants must be 21 years of age or older by the application submission deadline of February 15. • Previous National Continuing Education Scholarship winners are not eligible.

Thanks

Jane Fox VFW Auxiliary Dept of SC Scholarship chairman
