

Veterans and Family Support Bulletin:

I hope everyone is doing great. With only a few days left in this year's reporting year, I wanted to send out a bulletin with a few reminders and notes.

First I want to thank all the Auxiliaries who have turned in reports. You all are doing a great job supporting our families and Veterans. Our Veterans and their families are why we do what we do and I hope we keep it up for a very long time. Just a reminder if you post anything on Social Media please use the Hashtag #AuxiliaryVeteransandFamilySupport We love seeing those posts on Facebook and Instagram.

I did receive a few National program award entries. I can't wait to judge them and send them to our National Ambassador. This will be hard to judge as everyone did great work this year. Keep up the good work as there are still a few days of Reporting left.

There are still many opportunities to support our Veterans. A few examples are taking them to appointments, shopping, or just helping them around the house. Adopting a Unit, attending Veteran Ceremonies, and even supporting spouses and families when their soldier is deployed,

We still need to focus on our main Focal points, which are

- VFW-Based Veterans Assistance Programs
- Veterans' Mental Health Awareness
- Veteran and Veteran Spouses Employment

I can't wait to see everyone at the Upcoming COA on April 11th and/or at the Convention in June.

If you have any Questions, please feel free to Message, Email, Text or Call me. If I don't answer right away I will get back to you. I am always here to help you.

Thank you everyone for all your Hard Work this Year! Let's keep it up!

Raina K Bryant
