

Good afternoon,

I hope everyone is enjoying the start of spring! As we move toward the end of the reporting year, I wanted to send out a quick Youth Program update and a friendly reminder.

Spring break is upon us, and this is the perfect time to continue working with our youth. Just because the reporting year is coming to a close does not mean we should miss opportunities to make a meaningful impact. Whether it's Reading Buddies, Acts of Kindness, or simply engaging with students in your community, every effort counts and is appreciated.

Illustrating America Reminder:

Please be sure to bring all Illustrating America entries with you to the Council of Administration (COA) in Columbia on April 11th. This will help ensure everything is collected and submitted in a timely manner.

If you have any questions, need assistance, or are unsure about anything related to Youth Programs or reporting, please don't hesitate to reach out. I am always happy to help!

Thank you all for everything you do to support and inspire our youth across South Carolina.

With appreciation,

Angela Gaskins
