Americanism Bulletin #2

Hey everyone. Hope you are all ready for the Holidays and some much needed family Time. With this year almost over, we still have time to turn in quite a few reports. With all the holidays coming up, it's a great time to remember why we can enjoy this time together.

I mentioned in the last email about the POP sign. Please get your post to contribute. This is what the Award requires for Judging.
“Describe the POP sign and/or meme showcasing the VFW Auxiliary. (e.g., flyers, brochures, social media posts, newsletters, e-newsletters, handouts, photos, links to videos, etc.)”

Try and remember when you are with Family and Friends, try and teach the kids about Flag Education and the Importance. You can even talk to them about the patriots pen and VOD essays.

For Flag Education here are some ideas. Organize efforts to educate people on the importance of Flag etiquette. Topics you should cover include folding the Flag, respectful disposal of the Flag and displaying the Flag. Organize classes on the importance of the history and meaning of the Flag.

To Promote Patriotism here are some ideas. Educate people on the meaning and history of national symbols and traditions. People are not being taught the history of why our symbols are important. I was always taught that when we forget our history we are bound to repeat it. Promote holidays. You can google Veteran/Military Days/Holidays or you can find them on the Malta website. Provide information on ways to celebrate the holiday but don’t forget the reason why. Focus on the reason, meaning and significance of the holiday over the food and festivities.

I hope you all have an awesome Holiday. As always if you need anything please call or Text. Texting is easier and then I can call you back. Thank you for everything you do for your Veterans, Your Post and for our Department.
