UNWAVERING SUPPORT
FOR UNCOMMON HEROES

VETERANS OF FOREIGN WARS AUXILIARY
Department of South Carolina
Chief Of Staff

"PROTECTING OUR VETERANS"
2026-2027
October Newsletter

Hello Fall, Can you Believe it's already October? The year is just flying by. The Winter Holidays are just around the corner, and everyone will be busy with yearly projects as well as family celebrations and feasting.

This presents excellent opportunities for revitalizing your auxiliary and working on mentoring. If you have traditional projects look for ways to encourage members to get involved especially if they are new or if they are coming back after an absence. Explaining the project is mentoring, be sure to CARE whenever you can. Remember to let members ask questions and let them try new things.

We are close to getting a new auxiliary for Couth Carolina, the paperwork is in the mail. Please keep looking for opportunities to collaborate with bachelor posts and show them how they can benefit from forming auxiliaries of their own.

I encourage all auxiliaries to have at least one Holiday Celebration with your Comrades. Our Comrades are the reason we exist as well as why we do the things we do. Show them what they mean to us.

I will continue to share these Ideas in my Monthly Newsletters. Keep an eye on the website and The Department Facebook Page. Any Chair could post good information at any time.

See Ya Later Gater!

Kathleen "Kate" Brock
Chief of Staff
Department of South Carolina
