

Notes for SOI 8/8/26

Action Corps –

Encourage your members to sign up for Action Corps – I have included the scan code in your packet. It very easy – they will get an email about a Veteran's issues and they just have to hit the button and an email is sent to their Representative – they will then receive an email acknowledging receipt – which they will then turn in to you for your report.

Also sign up for the Action Corps newsletter to keep informed on current legislation.

Town Hall meetings and Voting –

Members can attend their Town Hall meetings, Rallies and Legislative conferences – again important that they inform you.

Feel free to contact your Representatives with concerns about Veteran and Family issues.

VOTE, VOTE, VOTE - get out there and vote!!

I have included in your packet the goals for this year's Legislative program from our National Ambassador Kim McWilliams!!

Let's have a great year!!!
