Military Order of the Cootie Grand of South Carolina 2026-2027 Commander's Message

Listen Up Cooties,

I want to thank you all for your support and the election to the Position of Grand Commander. I am humbled to have been elected to this high office in such a lousy and self-sacrificing organization. I ask that we all put forward our best foot to increase and multiply this year and following years so we can show our parent organization, the Veterans of Foreign Wars that we are here to perform and to stay the course of keeping them Smiling in Beds of White.

I ask that we look at our By-Laws and continue to strive to build our organization focused on self-sacrifice and fun and frolic. We, as the Military Order of the Cootie, should stand to support others above self. This starts at home in our local community. We must continue to visit hospitals and nursing homes, we need to continue our mission.

We as cooties also need to increase and multiply. We have our own little secrecy with our initiation, but that is really all that is secret. We need to think outside of the box and help create a better image of who we are. That image is as stated prior, as self-sacrifice to others. This is not a tough organization. We are a gentle spirited group wanting to support those that are hurting and facing physical or mental challenges through being goofy. With the Red and white apparel and our sideways hats/pup tents we can attract many VFW members to join our seams and help us share the spirit of the Cootie.

Once again I thank you all so much for your election to this high office and I look forward to working with you over the next Year to put the Military Order of the Cootie in a position to be recognized as a strong group of veterans that want to make a difference.

Jay G. Hart "Gator"
Military Order of the Cootie
Grand Commander

Military Order of the Cootie Grand of South Carolina 2026-2027 President's Message

To all the Auxiliary Members,

I would like to thank you for entrusting me to serve as your Grand President for 2026-2027. This year I would like for us to do more for our Veterans in the hospital and nursing homes, by thinking outside the box. Everyone does Bingo parties, but there's so much more that we can do for them. Report, report everything that you do and send your reports to our Grand Hospital Chairman. South Carolina is so far behind in reporting. Congratulations to all the incoming Officers and chairmen. Working together we can be #1. Membership is so important. We need to go that extra mile to get some new members and retain the ones that we have. Please encourage your members to attend the Scratches. This year I will give the Auxiliary President a gift for having the most Members to attend. "Keep em Smiling in Beds of White

Respectfully,

Theodora Montague
