

Serving America's Heroes Protecting Our Veterans

We must have members to keep our organization viable.

Membership Chairmans have you:

- Mailed second dues notice?
- Follow up phone calls?
- Facebook contact?
- E mail contact?
- Asked members To Remember why they joined?
- Asked members why they have not renewed their dues?

We must **maintain** contact with our members. Do not be a dues (bill) collector and only contact them when it is time to pay their dues. Notify the members of the auxiliary activities. Call and check on them. Create a Phone committee.

The Department is currently 92.17%. Six Auxiliaries are 100% in membership 12102, 10813, 6089, 8131, 2779, and 7607. They need at least one more member to be 100% Plus to earn \$50 from National. 3137 and 12136 are 100% Plus and have earned \$50.

IGNITE OUR PASSION FOR MEMBERSHIP! ONE TEAM • ONE MISSION • ONE GOAL: 100% PLUS! What will you do?
