

October 1, 2026

Happy Fall everyone

Membership, membership, membership. How are you doing with your “Silver Drop Campaign”? I hope you are starting to get the idea about this program. It is so easy. Your memberships to the VFW National Home helps support the programs for the veterans and their families. Remember each piece of silver counts.

Twice a year I engage in an online Pampered Chef Party thru Facebook. I recently had such a party, but it was a fundraiser for the VFW National Home. It was so much fun. I did not have to ask permission from National because this was my own party. I raised almost \$100 for the National Home, not a lot but it will help, I am sure.

Starting October 4th there will be a new program out for the VFW National Home where you can honor your own veteran hero. I can’t wait to publish this on our VFW Auxiliary Facebook page. So please look on our Facebook page October 4th for the flyer I will be posting. Do I have your attention now. See you soon.
