To my Fellow Auxiliary Members, “Welcome to February”.

Ah, February in SC. That finicky time of year when Mother Nature does not know weather, she wants it to rain, freezing rain, snow, or winds strong enough to peel the bark off a tree or 17 to 80-degree temperatures. But February has A Heart. Of course, I am talking about Valentines Day. A day Men and Women, Boys and Girls give their heart away in a dedication of true love. But love can be shown in many ways. The love of pet or even the love of your favorite team or car. Or best of all the love you feel by belonging to the VFW Auxiliary and helping Veterans. I would guess that we do not know 90 per cent of the Veterans we help. How could we, Veterans are all over the world. But we still love and respect them even when we never met them. They gave the greatest gift of love anyone can. They gave their service and many, their lives.

So, what does Americanism and Love have to do with this report. EVERYTHING! Americanism is an outright visual demonstration of your love for the United States. Children duct taping flags to their bicycles, proud owners of their pick-up truck displaying flags flapping in the wind, flags at every sporting event, etc.

All I am asking is for you to take a moment is to fill out a report, tell me what you saw and when. Nothing extravagant, just the facts. If email is not your thing you can snail mail me or pony express if you wish. I will gladly receive all reports.

As of this report we are at 51% of Auxiliary’s reporting. Come on SC make me proud to be your Americanism Ambassador. And “Thank you” for all your hard work.

Sincerely

Andy Machemer
