Happy New Year to my Fellow Auxiliary Members.

Well, it is finally here. The new year is upon us presenting brand-new opportunities, and a quick look in the rear-view mirror remembering the sadness and happiness that we all experienced.

So here we are, at the top of the hill looking down at a long and fruitful year. Resolutions were made and most of them broken by January 2nd. It seems to be in our "Human Nature".

Our Auxiliary New Year starts on July 1st. That is the day members resolve to take part in Program Reporting. This is a daunting task to say the least but extremely important to the health of our organization. And a resolution that should not be put on the back burner.

At this time of the Auxiliary Year, Auxiliaries reporting on Americanism program is 50%. It is my new year's wish that I will be able to report to National Ambassador that on April 15, 2025 we are at 100%. The reports I have received are informative and in many cases heartwarming, proving that the 100's of members do care.

Americanism is everywhere. Its almost impossible not see the presence of it. Now all we need to do is put pen to paper and send me what you witnessed. You may snail mail or email me which ever your most comfortable with. Please include the date.

It is my wish that everyone has a Happy and Prosperous New Year. And God bless the VFW Auxiliary of SC.
