

March Americanism Wellness Report

Is there a “Spring” in your step?

Department Ambassador for Americanism.

Andy Machemer

4247 Highway 378

Leesville, SC 29070

Greetings to everyone.

Well, Spring is almost here and the flowers and trees are all proclaiming their existence by showering us with their pollen and fragrance. The days are getting longer and soon we will suffer the dreaded loss of one hour of sleep on the night of March 8th.

March is also the last month that reports are due to me. It only takes one report on Americanism from your Auxiliary to be eligible for judging. As of this writing Americanism reporting is at 62% in S.C.

Writing a report has become a simple procedure, no pictures are required but may be submitted if you desire. Many members have asked me “What about documentation” and my response is “We are an organization built upon integrity.” In other words, if you send me report, I believe you. You can send me your information on a piece of paper and I will write the report for you. Please include the date of the event and your phone number.

So, I am asking one last time “Get out there and smell the flowers, sneeze at the pollen” and let National know S.C. is alive and proud to be an American.

Thank you to every one of the 45 auxiliaries in S.C. for all you do. Just your belonging to an Auxiliary proves you believe in Americanism.

God bless all of you.

Sincerely

Andy Machemer
