The Department of South Carolina is going to have an exciting year! We have excellent Program Chairmen that are excited and motivated to help you have a successful year.

You can expect:

1. Clear and concise information on how to complete your reports and where to send them.
2. Copies of quarterly reports Chairmen submit to their National Ambassador.
3. Copies of information your Chairman feels would be helpful for your success.
4. Help from your Chairman should your Auxiliary seem to be struggling with reporting issues.
5. Short but informative and helpful information at the COAs and Conference.
6. Recognition for your hard work.

Some of the things the Chairmen will be looking for are:

1. Reports from every Auxiliary on every program.
2. Notification from your District President when you seem to be struggling or unable to submit timely reports.

Your District President will be looking for:

1. Making sure you are sending in your reports.
2. Contacting you with support when you seem to be struggling with submitting your reports.

My job as Program Chairman is to ensure you are getting the very best information you can get. Should you have problems getting information to or from your program chairman it is your job to contact me so it can be handled efficiently and quickly.

I look forward to working closely with each of you as we prove we
