We  lieve in Our Veterans

Sisters and Brothers we owe so much to our veterans.
The freedom we enjoy is because of their sacrifices.

Let's show them we care.

How can we do this? By continuing to build our membership. There is strength in numbers. Congress recognizes this. We must "Invite" "Include" and "Invest" in our members. Invite new members, include our current members and Invest in the future of the organization.

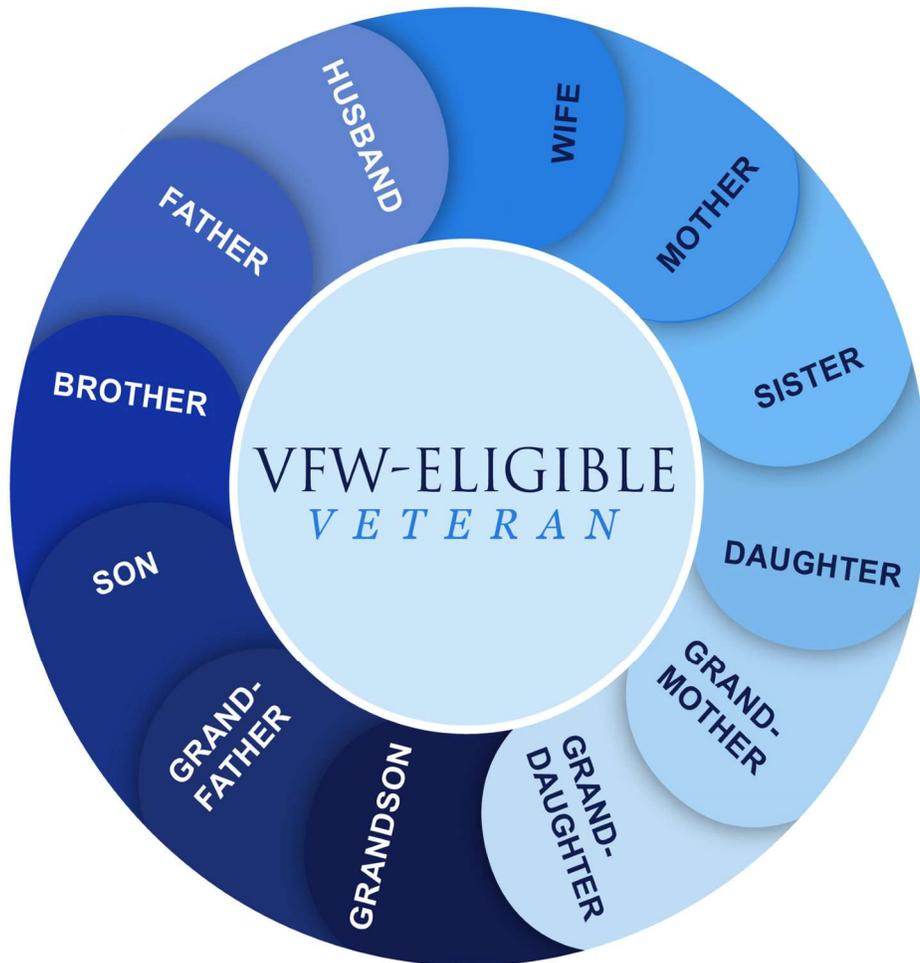

Membership is everyone's responsibility. You can make a difference. Share your love of the Auxiliary with others. Our future leaders are out there just waiting for someone to ask them to join, or they may be a member already. Don't forget to encourage current members to be active and participate in the Auxiliary. Call members that you have not seen or talked to in a while. Let them know that you care.

Develop a membership plan. Establish a membership committee. Promote a positive image of the Auxiliary. Invite others to attend a function at your Post. Carry a membership application with you. Wearing auxiliary attire attracts attention. It is free advertising. Don't hesitate to explain what the organization is and the purpose.

The future of the Auxiliary begins with you. Are you up to the task? I believe you can. We must do this!!
