

MEDIA - HISTORIAN

AUGUST 2021 NEWSLETTER

It is hard to believe that it is already the end of August; we are making great progress with our programs and reports are reported on the Auxiliary Report Status form on our web site - vfwauxsc.org. Auxiliary Chairman and Department Chairman please send the reports in every two week or as you receive them.

Celebrate your progress by sending in your reports; I will put your reports on our status report form. Be proud of the work you do; report on what you do and know that you are helping a veteran.

Please make sure that you have backup for your reports, such as photos, written documentation and photos of the people who participate in your project.

Please send in Media Reports. Let your community know what your Auxiliary is doing for our Veterans and your community. Invite the community to be a part of your fundraisers and programs. Thank you for all the work you do for your Auxiliaries, the Department, and our Veterans. We are making a difference.

Thank you so much for all your support and positive comments about our web site. I am very proud of the web site and the interest it has created. Again, thank you for your support.
