

"BUDDY" POPPY
§ VFW NATIONAL HOME FOR CHILDREN
OCTOBER NEWSLETTER

The Fall Season has arrived; everything around us is changing and the holidays will be here before we know it. Let's continue to change lives by keeping up our dedication to our Veterans.

Our "Buddy" Poppy reports are being sent in at a good pace and we should be immensely proud. As of October 15, 2021, we are coming close to 100 reports -THANK YOU!!!

MEEETINGS - The C of A was held on October 9, 2021, where much information was given out and you had an opportunity to see your Sisters and Brothers and hear their ideas about their programs. Please try to attend one of these meeting and see if you enjoy it. The more information we receive the better we can communicate with others.

"BUDDY" POPPY DISPLAY CONTEST - The theme for the February 19, 2022, conference is Decorative. The theme for the June conference is Memorial. Start thinking about what you will enter.

"BUDDY POPPY DISTRIBUTION - Please make your plans for distributing "Buddy" Poppies. This is our way of honoring our veterans and thanking them for their service.

October 30, 2021, the Department of South Carolina is holding their annual Trunk of Treat; please join in the fun. Each program will be represented, information to get, games to play and candy to be had. Please join us for a fun day.

I appreciate all the work you are doing and want to thank you again.
