

Veterans & Family Support August Newsletter

A new year has begun. Time to start sending in reports. Reports can start from May 1, 2022.

Thank you to all members that attended the August 6th C of A and SOI. There were a lot of members in attendance. And a lot of information was given out to District Presidents for their Auxiliaries.

My program included a short introduction of myself and why I support my Veterans and all Veterans, new reporting forms, summary of VFW National Services and descriptions about each one, Resources for Veterans, Active-Duty Military and their families. Also the Program Awards for the end of the year.

The reporting form is fairly simple to fill out. I have added extra lines in the middle of the form if you don't have enough space next to the question. You can also write on the back of the page if you need more writing room. Please write legible and include documentation and if you put down a \$ amount a receipt is needed. The total amount of the receipt can be for more than the \$ amount written down. (Example on the form you put down \$10.00 for gas and the gas receipt is \$50.00 it is acceptable) not many of us are just going to put \$10.00 gas in our vehicles for a correct receipt.

I have a program board with information and a sample report form with documentation and a receipt attached. There will also be a basket for completed forms. If you email reports please keep it to 2 pages.

Some reports can be used with another program. Just divide the # hours, members, miles and \$ amounts by the number of programs the event is being used for.

I received a few reports at the August 6th meeting and I look forward to receiving more in the near future.

I am available by phone, text or email if you need help or just want to talk.
