

“BUDDY” POPPY  
&  
VFW NATIONAL HOME  
JULY 2024 NEWSLETTER

Happy  
Birthday

2024 - 2025 will be a year long celebration of our VFW National Home. In the last 100 years the Home has served our Veterans and their Families well. Supporting the Home is necessary and important to our goals to help Veterans and their families. Let us show our pride in the VFW National Home by supporting them and making sure that they will always be available to our Veterans and their families.

August 10, 2024 we will hold the Department School of Instruction. You will be introduced to the Department Chairmen; you will hear their plans for their programs and learn about special projects they have planned. Please attend!

“Buddy” Poppy & VFW National Home program has some changes and I have kept some things the same. My love is working with the program. I am proud to be your chairman again. I am approaching this year with all the excitement I had the first year. My goal is to make the program more successful and to help and honor our Veterans and their families.

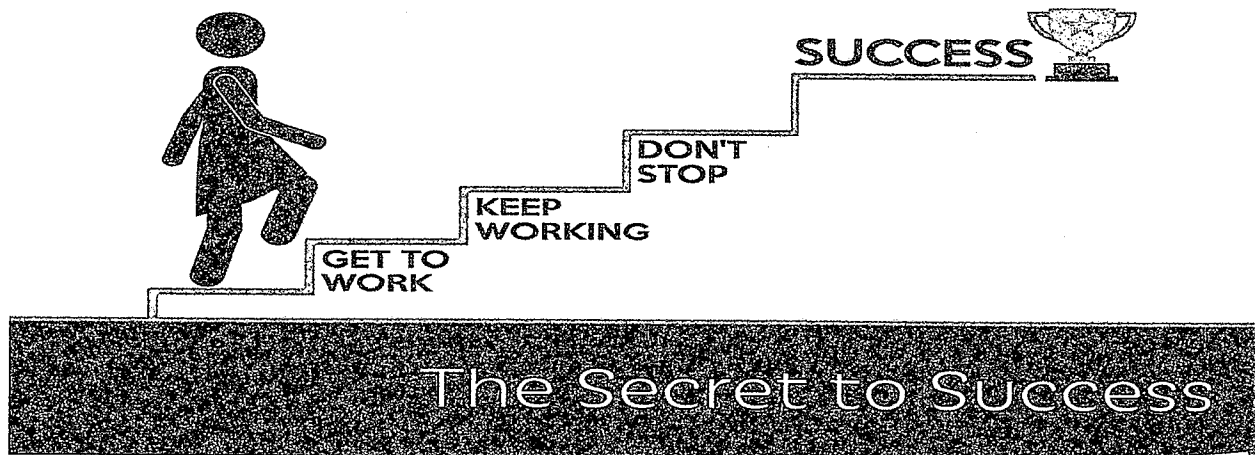

I am available, asking questions, helping, sharing ideas, and assist in making changes. Please contact anytime.

SuzAnne Taylor, Chairman
