

“BUDDY” POPPY
&
VFW NATIONAL HOME
OCTOBER 2024 NEWSLETTER

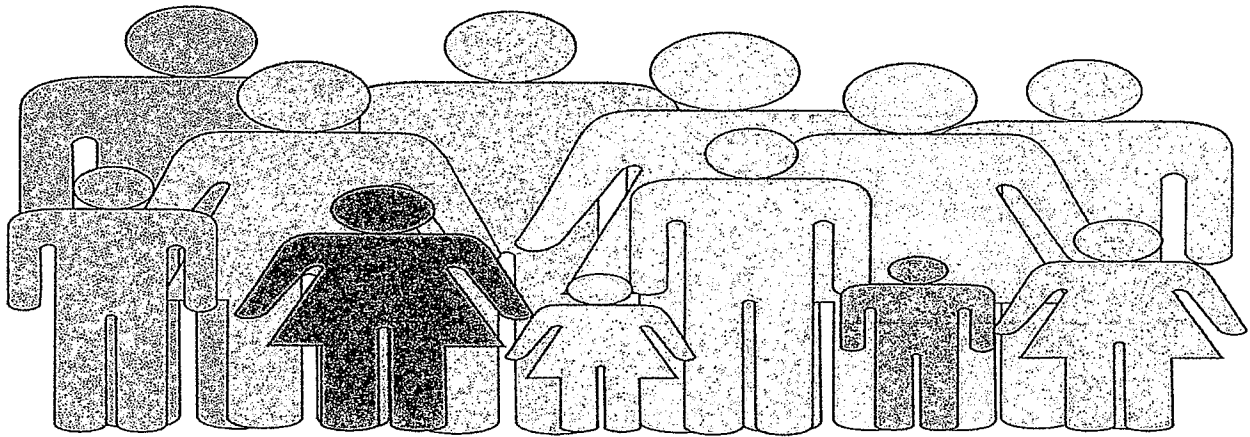

Fall is one of the most beautiful seasons of the year. We need to make Autumn a beautiful time of the year for our Veterans. Let us never forget our Veterans and thank them for giving us our freedoms and liberties.

Contact your local Girl and Boy Scout Troup's; talk about the “Buddy” Poppy and its importance to our Veterans and our country. The more we share the “Buddy” Poppy history/story the more knowledgeable our citizens become. We will never forget our Veterans and their sacrifices.

Planning for distribution of you “Buddy” Poppies is very important. Organizing your team, reminding the people at your location the time you will arrive, have handouts (if possible), and enjoy your day.

CAFÉ EVENT was held at the VFW National Home on September 7, 2024. It was an honor and privilege to take part in the beginning of the 100th birthday celebration. Taking part in the celebration. seeing the families was very special; I could see how happy and grateful everyone was.

Remember to turn your reports into you Chairman – it is important to let us know what work you are doing.

Reach out to our brothers and sisters in need. The Helene victims are still here and, if possible, we need to help. Check your District for their needs.
