

Young American Creative Patriotic Art Contest

3/7/2025

Hi All,

Yes , your year is winding down, but there is still much to do. The 3 different art contest entries need to be turned in to your auxiliary by March 31 to be judged.

Contact the places you gave the information to and see if there is any to be turned in. Give them support and tell them they have a few more weeks. We all know how our young students love to show their artwork! Who hasn't had a picture on your refrigerator of a piece of artwork done by a child.

To the auxiliaries who haven't turned anything in , let's take that step and get those reports turned in.

Thank you to those who have snail mailed or emailed or texted me with your work, it is appreciated.

You are putting forth your hard work of showing and giving our leaders of tomorrow that enthusiasm , support and hard work gets results.

Thank you
Mo Sedelow
State Scholarship chairperson
