

# Year-End Reporting Reminder

## Auxiliary Outreach

As we approach the end of the reporting year, it is essential to reflect on the remarkable efforts and dedication each of you has put forth in supporting our community. Your work has made a significant difference, and now it is time to showcase all that we have achieved together.

Please compile any remaining reports you may have and forward them to me by April 1st. These reports are vital as they highlight our collective contributions to various organizations within our community. They provide a comprehensive overview of the impact we have made as an organization.

The effort you have demonstrated throughout the year has been exceptional. Whether through volunteering, organizing events, or offering support, every action has contributed to our mission. Now, let's ensure that these accomplishments are accurately reported and recognized.

Please take a moment to complete your Auxiliary Outreach reports and submit them to me. Your detailed reporting is crucial in wrapping up the year on a high note and showcasing our commitment to improving the lives of those around us.

Thank you for your hard work and dedication. Together, we have achieved great things, and with your reports, we can celebrate our collective impact within the community.

I have attached the National Program Award for the year. This must be returned to me by March 31<sup>st</sup> for judging.

Thank you for all you do

Patrice Lamb  
Auxiliary Outreach Chair
