

Scholarship Note

Dear District and Auxiliary Presidents and Treasurers,
I would like Every Auxiliary president to do the following
at their next meeting:

Go to vfwauxsc.org

This takes you into our website.

Go to Programs: Scholarship: Continuing Education

Print one of these for each of your auxiliary members
that attend your meeting. Hand them out. Send me a
Scholarship report with the number of applications you
handed out.

This is our focus from National this year as the National
Presidents Lois Callahan's Special Project.

You can also go into Malta: Gifts : National Presidents or
Continuing Education to make a donation then do a
scholarship report.

I will be waiting for emails.
