

Dear Auxiliaries,

It is that time of year again for the Jr. Vice President's annual visit to the National Home. As you know, the National Home is a vital resource that provides support and housing for families in need, helping them build a stable foundation so they can return to independent living. Our organization has always valued and supported the work of the National Home.

What you may not be aware of is that South Carolina has recently acquired its own house sponsorship at the National Home. This means that we now directly sponsor a home where families can reside while receiving the assistance they need. With this privilege comes the important responsibility of maintaining the house, including its upkeep and any necessary repairs, to ensure it remains a safe and welcoming environment.

In keeping with tradition, it is customary for the Jr. Vice President to present a monetary donation during their visit to the Jr. Vice Training. This contribution goes directly to the National Home to support our sponsored house and the families who benefit from it. We encourage all auxiliaries to consider making a donation to help us continue this meaningful tradition and uphold our commitment to those in need.

Please make your donation check Payable to VFW National Home and on the memo line write "SC House". Your check will be presented, and you will receive recognition for your donation. Please bring checks to the April C of A at headquarters on April 11th, or

Mail checks to:

Patrice Lamb
264 Airport Dr
Moncks Corner, SC 29461

Checks need to be mailed no later than April 15th.

Thank you for your ongoing dedication and support.

Sincerely,

Patrice Lamb
Jr. Vice President
