Fisher House

Fisher House's provide free, temporary "home away from home" lodging for Families and caregivers of veterans or service members receiving care at major military and VA medical centers. These homes, often located steps away from medical facilities, allow families to stay together and support their loved ones without financial burden.

South Carolina has 2 houses. One in Charleston "Ralph H. Johnson", and one in Columbia "William Jennings Bryan Dorn" VA Medical Centers. Each house has 16 guest rooms, shared fully equipped kitchen, dining room with seating for 22, living room, family room with TV and toys for children, and out-door patio. Each also has modern laundry, Wi-Fi, and wheelchair accessibility.

All money raised will be divided between the Houses in Charleston and Columbia.

Please support my special project as it stays in South Carolina and we never know when we may need to use them.

Please remember this is a requirement for the Auxiliary of Excellence Program.

Thank you for your donations.
